Faulty goods and returns

If you are not satisfied with your order, please contact our customer service at info@widni.fi for return instructions. Refunds are subject to the goods being returned unopened in their original packaging.

Trade customers: Non-faulty goods that comply with the order cannot be returned without first making arrangements with the seller. A copy of the seller's despatch note must be enclosed with the returned goods. The seller reserves the right to deduct 20% of the value of the order, and in any case at least EUR 60 (ex VAT), from the refund to cover handling costs. Freight and any other costs incurred are always payable by the buyer. Our returns policy only applies to our current range of standard products. Goods that were only sold for a limited period of time or that we do not normally stock cannot be returned. Returns must be delivered to us with full postage and packaging paid by the buyer in advance.

Consumers: Our returns policy only applies to our standard range of products sold online. Custom-made orders or orders that require a standard product to be tailored to the buyer's specifications cannot be cancelled or returned. If you wish to cancel or return your order, please contact our customer service at info@widni.fi for more detailed instructions within 14 days of placing your order. If the goods have already

been delivered to the buyer, a return handling fee of EUR 75 (plus VAT at 25,5%) applies and will be deducted from the amount refunded to the buyer.
